To whom it may concern,

Greetings!

It is with great pleasure I offer my endorsement of Daria Dillard Stone.

I have known Ms. Stone personally for a number of years, however, I have only recently had the opportunity to work with her professionally. What an honor it has been to do so.

As the director/founder of Women in Business Networking (WiBN)— I have had the pleasure of knowing Daria Dillard Stone for past three years. During the years of our acquaintance, I have known Daria in many capacities within and outside of Women in Business Networking. She is an outstanding leader and has achieved many accomplishments within her career and community.

In the past year Daria has been involved with Women in Business Networking as an Ambassador and serves our membership as the CARE Chair

Daria is an intelligent, capable, dedicated, and personable professional that has paved the way for many. She is always quick on her feet, with sensible reactions in all the circumstances. She is confident and capable of handling any situation with thoughtfulness and professionalism.

I highly recommend Daria as a speaker or workshop leader. Not to exclude her musical talents.

I'm happy to offer any additional information about Daria; please feel free to contact me.

Wising you the best always,

Jeanne Porter
