Re: Reference for Daria Dillard Stone

To Whom It May Concern:

I am pleased to write this reference letter for Daria Dillard Stone. I highly recommend Daria as a candidate for employment with your company.

I have known Daria for Ten (10) years. I became acquainted with Daria in the early 2000's when we were both fighting for America's children. We had had some success in Washington, DC working with parents and Daria invited me to come and speak to parents in Dayton. During that time, I found her to be committed to whatever she puts her mind to supporting...i.e. working with parents, supporting students. She is loving and caring and makes you feel that whatever your cause she is there to support you. She is hardworking and goes above the call of duty to do the best job possible. Over the time that I have known her, I have witnessed tremendous growth in Daria and am certain that the skills and abilities she has developed will allow her to excel at any job.

Daria is willing to stand strong for children who need a quality education. No matter, what she always is an advocate for what she believes is the right way and sticks to it.

In short, I recommend Daria enthusiastically and without reservation. I believe she would be a valuable asset to your company. If you have any further questions with regard to her background or qualifications, please do not hesitate to contact me.

Sincerely,
