

# DARIA DILLARD STONE

INTERNATIONAL MOTIVATIONAL SPEAKER

AUTHOR | LICENSED MINISTER

Daria Dillard Stone, The Servant, is the Founding CEO of Sharing Ministries, which is in its 12th year of serving the Dayton, Ohio community; its mission is built on a foundation of faith and integrity.

*Sharing  
Ministries*

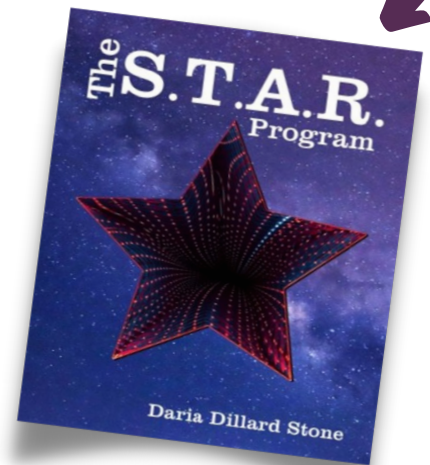

Through Sharing Ministries, Daria helps women from all walks of life to develop character, clarity, and courage by offering spiritual guidance, educational resources, business connections, and moral support. To assist in these areas, Daria is also a Certified Family Development Specialist and Parent Engagement Coordinator.

It was this heartfelt thinking that helped Daria launch The S.T.A.R. Program, a self-directed program developed for women from all walks of life - ages 13 to baby boomers - who are ready to be more successful and want to find their way to personal and professional success - on their terms!

The S.T.A.R. program educates, engages, entertains, and empowers women to find their STAR Power through the STAR (Smart, Talented, Awesome, Respect) model. Women - and men too - who complete this program will learn how to "let it go" so they can continue to grow and discover how to appreciate all of themselves, the good, the bad, and the ugly.
